**If you do not have email please fill out the student information below.** We will attempt to send families that **do not** have email a hard copy of the Coyote Connection home with your child each week.

Our goal is to communicate with families via email OR hard copy if a family has no email, by sending a weekly Coyote Connection every Friday and letters from the principal about events that are happening at school along with other BVSD information.

**PLEASE PUT ALL STUDENTS FROM THE SAME FAMILY ON ONE FORM!**
